

## SEZNAM INZERCE

ABB s. r. o., Elektro-Praga .....	1, 47
AMT měřicí technika, spol. s r. o. ....	60
Blue Panther s. r. o. ....	48
Business Media CZ, s. r. o. ....	9
Dehn + Söhne GmbH+Co.KG .....	4. oč.
DELO Industrie Klebstoffe GmbH & CO. KGaA .....	43
Distrelec GmbH .....	55
GHV Trading, spol. s r. o. ....	19
Kopos Kolín a. s. ....	1. oč.
Moeller Elektrotechnika s. r. o. ....	2. oč.
Národní technické muzeum .....	19
OBO Bettermann Praha s. r. o. ....	3. oč.
Phoenix Contact, s. r. o. ....	53
Saltek, s. r. o. ....	31
Siemens s. r. o. ....	45
Tyco Electronics Czech s. r. o. ....	38
Veletřhy Brno, a. s. ....	54
WAGO-Elektro spol. s r.o. ....	54

## Harmonogram časopisu Elektro 2009

číslo	uzávěrka	expedice	zdůrazněné téma
5	19/03/09	04/05/09	Ochrana před přepětím, bleskosvody; Ekotechnika; Zabezpečovací technika – EPS, EZS
6	16/04/09	29/05/09	El. stroje, pohony a výkonová elektronika
7	20/05/09	25/06/09	Nářadí, vybavení a ochranné pomůcky; Elektrický ohřev; Kably, vodiče, kabelová technika
8-9	27/07/09	03/09/09	51. mezinárodní strojírenský veletrh v Brně
10	31/08/09	07/10/09	Výroba, zdroje a zálohování elektrické energie – el. baterie, akumulátory, fotovoltaika, solární technika, UPS, alternativní zdroje energie
11	21/09/09	30/10/09	Elektrorozváděčová technika; Energetika
12	21/10/09	01/12/09	Měření, měřicí technika; Kontrolní, vyhodnocovací a signální technika

# AUTOMA

články aktuálních i minulých čísel  
časopisu AUTOMA najdete na

## LIST OF CONTENTS

### Main Article

How to proceed by lightning conductor inspection according to the ČSN EN 62305-1 to -4 (part 1) .....	6
Non-electric equipments and risks of explosion not only in legal context (part 2).....	12

### Reports

Report from the Amper fair 2009 .....	10
Manager shadowing .....	21
Prince Charles in solar factory by Sharp .....	21
Cable tray diversification in Kopos .....	21
CzechSkills 2009 in the field of Electrotechnical technology .....	25
Sharp installs air purifiers with Plasmacluster technology .....	28
New HV-substation put into service in Pankrác .....	28

People and the Elektro Ing. Zdeněk Trinkewitz .....	23
---	----

### Exchange of Experiences

Economical crises – its causes and what good is it .....	22
No people, boss! .....	24

### From Foreign Press

Electroinstallation in concrete .....	26
---------------------------------------	----

### Electrotechnical Practice

Questions and answers from electrotechnical practice.....	29
---	----

### Innovation, Technology, Projects

Unerringly one of its own .....	41
Autonomous smoke detectors Delta reflex from Siemens.....	42
Bonding of plastics .....	43
New family of three-pole switches.....	46
Using Fluke scopometers for problem detection on process fieldbuses .....	48
Management of small elektro-waste from electrical equipment under use of LCA methods .....	50
Cable support systems with fire integrity .....	52
Connectors from Phoenix Contact.....	53

### Market, Business, Enterprise

Interesting products from the Distrelec catalogue.....	55
--	----

### Technical Product Information

Made-to-measure temperature measurement .....	54
---	----

### Standardization

New ČSN standards (91) .....	56
------------------------------	----

### News-in-brief

Current information from home and abroad.....	20
---	----

### News

Conference on fire safety in power engineering .....	60
Seminars and courses of the educational agency L. P. Elektro.....	60
Seminars and courses of the educational agency Unit .....	60
Educational agency Propag Team.....	60

### Professional Literature

Publication of the publishing house PropagTeam Trutnov.....	57
Publications of Verlag Dashöfer publishing house.....	57
Professional publication of VŠB-TU Ostrava.....	57
Publications of publishing house BEN – technical literature.....	58
Publications of Computer Press publishing house .....	58
Professional publication of ČZU in Prague.....	58

### Archive

History of physical sciences in Bohemian countries (part 29) .....	61
--	----

### Repetitorium

Basic wiring of installation circuits (part 16) .....	62
---	----

### Lifelong education

Safely by electrical equipment inspections .....	63
--	----

### Topic: Overvoltage protection, lightning arresters

Dimensioning of SPD Type 1 (Saltek s. r. o.).....	31
Protection against transient effects and lightning from OBO Bettermann (OBO Bettermann Praha s. r. o.).....	32
SPD Type 1 DEHNventil M or why is convenient to have an earth electrode (Dehn + Söhne GmbH + Co. KG).....	34
Hands-on approach to overvoltage protection (Moeller Elektrotechnika s. r. o.).....	36
Critical places in overvoltage limiter design and their testing (Tyco Electronics Czech s. r. o.).....	38
