LIST OF CONTENTS

Topic: Protective accessories and equipments; Cables and cable engineering	
nkt cables – traditional power sector supplier (<i>nkt cables, s. r. o.</i>).....	30
Some basic tips and hints for effective protection of workers at workplace (<i>Kimberly-Clark, s. r. o.</i>).....	31
Cables for 21st century (<i>Helukabel CZ, s. r. o.</i>).....	32
Cable support systems of the 2nd generation from Kopos Kolín (<i>Kopos Kolín a. s.</i>).....	34
Information	5
Main Article	
Protection by fault of distributing electric equipments above 1 000 V a. c.....	6
Non-electric equipments and risks of explosion not only in legal context (part 3).....	10
News-in-brief	17
Reports	18, 19, 40
People and the Elektro – prof. Ing. Martin Libra, CSc., ČZU.....	21
Exchange of Experiences	
Testing of a small PV system with fixed stand at the CULS in Prague.....	20
From Foreign Press	
Quicker installation of air-conditioners.....	22
Floor heating in locations containing a shower without bath tub.....	25
Electrotechnical Forum	
Inspection report processing.....	29
Electrical engineering practice	
Questions and answers from electrical engineering practice	26
Test clamp and its right height	28
Innovation, Technology, Projects	
Fault finding and line tracing.....	35
Xcomfort presents itself in new designs Original, Intense a Pure.....	38
AudioWorld with new options.....	41
Moulded-case circuit-breakers – using and choosing overcurrent release	44
Signalling and control elements for the most severe conditions	46
Market, Business, Enterprise	
51st IEF Brno 2009	48
Catalogue plus – new product of Distrelec	49
Technical Product Information	
Interesting products from the Distrelec catalogue.....	51
Lightex® – LED cable lighting system.....	51
New freedom by electroinstallation planning	51
Manager	
Tailor-made maintenance	52
Standardization	
New ČSN standards (93).....	55
Personal News – A young septuagenarian.....	59
News	58, 60
ESČ news	59
Professional Literature	57
Archive	
History of physical sciences in Bohemian countries (part 31).....	61
Electric locomotive celebrates 130-years anniversary	61
Repetitorium	
Basic wiring of installation circuits (part 18).....	62
Lifelong education	
Installation in separating structures and screens and fire protection of cable distribution systems (final part 2)	63
